ART TRAIL

WELCOME

Winchcombe Art Trail

Join Winchcombe's popular annual Art Trail for a unique opportunity to enjoy and buy original works of art and craft directly from the artists.

As well as visiting studios in Winchcombe, a short drive out the town will take you to picturesque Cotswold villages of Prestbury, Toddington, Hawling and Stanway, with its historic watermill and Stanway House which both have been used regularly as film locations.

There will also be art workshops and demonstrations for adults and children held throughout the week. For more details visit www.winchcombefestival.co.uk
